

MOBILE, HEIGHT-ADJUSTABLE, MANUAL MOUNT - PDMHM-L

ORDER CODE: 100013383

Large Mobile Single Trolley for NEC Large Format Displays

Manual height-adjustable trolley for NEC Large Format Displays from 40" to 80". The height can be adjusted by one person via hand or using a power drill. This trolley incorporates rounded edges and sleek features to give the cart a softer professional feel that fits well in corporate and classroom environments.

PDMHM-L WITH MULTISYNC V801 AND SPEAKER SYSTEM SP-80SM

Delivering Genuine Benefits

Single person height adjustment from 127 to 177 cm by hand or using a power drill

Designed to load displays up to 90,7 kg

Tool-less tilt adjustment with use of knobs ($\pm 5^\circ$)

Professional cable management along the trolley column

Optional equipment available (camera shelf, CPU holder, etc.)

Large rolling casters enable safe and easy maneuverability over various flooring surfaces

Quick and easy installation
